1.6 Confidential Information, Trade Secrets, and Proprietary Information

The designation of certain information as trade secrets and/or privileged or confidential proprietary information shall only apply to the technical portion of your proposal. Your cost proposal will not be considered confidential under any circumstance. Any proposal copyrighted or marked as confidential or proprietary in its entirety may be rejected without further consideration or recourse.

For the purposes of this procurement, the provisions of the Louisiana Public Records Act (La. R.S. 44.1 et. seq.) will be in effect. Pursuant to this Act, all proceedings, records, contracts, and other public documents relating to this procurement shall be open to public inspection. Proposers are reminded that while trade secrets and other proprietary information they submit in conjunction with this procurement may not be subject to public disclosure, protections must be claimed by the proposer at the time of submission of its Technical Proposal. Proposers should refer to the Louisiana Public Records Act for further clarification.

The Proposer must clearly designate the part of the proposal that contains a trade secret and/or privileged or confidential proprietary information as "confidential" in order to claim protection, if any, from disclosure. The Proposer shall mark the cover sheet of the proposal with the following legend, specifying the specific section(s) of his proposal sought to be restricted in accordance with the conditions of the legend:

"The data contained in pages _____ of the proposal have been submitted in confidence and contain trade secrets and/or privileged or confidential information and such data shall only be disclosed for evaluation purposes, provided that if a contract is awarded to this Proposer as a result of or in connection with the submission of this proposal, BREC shall have the right to use or disclose the data therein to the extent provided in the contract. Further, to protect such data, each page containing such data shall be specifically identified and marked "CONFIDENTIAL".

Proposers must be prepared to defend the reasons why the material should be held confidential. If a competing proposer or other person seeks review or copies of another proposer's confidential data, the state will notify the owner of the asserted data of the request. If the owner of the asserted data does not want the information disclosed, it must agree to indemnify BREC and hold BREC harmless against all actions or court proceedings that may ensue (including attorney's fees), which seek to order BREC to disclose the information. If the owner of the asserted data refuses to indemnify and hold BREC harmless, BREC may disclose the information.

The redacted copy should also state which sections or information has been removed."

1.7 Proposal Clarifications Prior to Submittal

1.7.1 Pre-proposal Conference - (Not Required for this RFP)

1.7.2 Proposer Inquiry Periods

An initial inquiry period is hereby firmly set for all interested proposers to perform a detailed review of the bid documents and to submit any written questions relative thereto. *Without exception*, all questions **MUST** be in writing (even if an answer has already been given to an oral question during the Pre-proposal conference, if held) and received by the close of business on the Inquiry Deadline date set forth in the Calendar of Events (See Section 1.3). Initial inquiries shall not be entertained thereafter.

BREC shall not and cannot permit an open-ended inquiry period, as this creates an unwarranted delay in the procurement cycle and operations of our departments. BREC reasonably expects and requires *responsible and interested* proposers to conduct their in-depth proposal review and submit inquiries in a timely manner.

Further, we realize that additional questions or requests for clarification may generate from BREC's addendum responses to the inquiries received during the initial inquiry period. Therefore, a final 3-day inquiry period shall be granted. Questions relative to the addendum shall be submitted by the close of business three working days from the date the addendum is issued (or, posted to the LaPAC website at <https://wwwcfprd.doa.louisiana.gov/osp/lapac/pubMain.cfm>) If necessary, another addendum will be issued to address the final questions received. Thereafter, all proposal documents, including but not limited to the specifications, terms, conditions, plans, etc., will stand as written and/or amended by any addendum issued as a result of the final inquiry period.

Any person aggrieved in connection with the specifications contained therein shall submit questions or concerns in writing to Director of Purchasing (see Sect. 1.46) during the bid period. Otherwise, this will be construed as acceptance by the bidders that the intent of the specifications is clear and that competitive proposals may be submitted as specified herein. Protests with regard to the specification documents will not be considered after proposals are opened.

*Note: BREC has elected to use LaPAC, the state's online electronic bid posting and notification system that is resident on State Purchasing's website <https://www.doa.la.gov/pages/osp/index.aspx> and is available for vendor self-enrollment. In that LaPAC provides an immediate e-mail notification to subscribing bidders that a solicitation and any subsequent addenda have been let and posted, notice and receipt thereof is considered formally given as of their respective dates of posting dates.

No negotiations, decisions, or actions shall be executed by any bidder as a result of any oral discussions with any BREC employee or BREC Contractor. BREC shall only consider written and timely communications from proposers.

Inquiries shall be submitted in writing by an authorized representative of the proposer, clearly cross-referenced to the relevant solicitation section. Only those inquiries received by the established deadline shall be considered by BREC. Answers to questions that change or substantially clarify the solicitations shall be issued by addendum and provided to all perspective proposers.

Inquiries concerning this solicitation may be delivered by mail, express courier, e-mail, hand, or fax to:

Such shall meet all requirements for the proposal.

1.14 Waiver of Administrative Informalities

BREC reserves the right, at its sole discretion, to waive administrative informalities contained in any proposal.

1.15 Proposal Rejection

Issuance of this RFP in no way constitutes a commitment by BREC to award a contract. BREC reserves the right to accept or reject any or all proposals submitted or to cancel this RFP if it is in the best interest of BREC to do so.

Failure to submit all non-mandatory information requested may result in BREC requiring prompt submission of missing information and/or giving a lower score in the evaluation of the proposal.

1.16 Ownership of Proposal

All materials (paper content only) submitted timely in response to this request become the property of BREC. Selection or rejection of a response does not affect this right. All proposals submitted timely will be retained by BREC and not returned to proposers. Any copyrighted materials in the response are not transferred to BREC.

1.17 Cost of Offer Preparation

BREC is not liable for any costs incurred by prospective Proposers or Contractors prior to issuance of or entering into a Contract. Costs associated with developing the proposal, preparing for oral presentations, and any other expenses incurred by the Proposer in responding to the RFP are entirely the responsibility of the Proposer, and shall not be reimbursed in any manner by BREC.

1.18 Non-negotiable Contract Terms

Non-negotiable contract terms include but are not limited to taxes, assignment of contract, audit of records, EEOC and ADA compliance, record retention, content of contract/order of precedence, contract changes, governing law, claims or controversies, and termination based on contingency of appropriation of funds (if applicable).

1.19 Taxes

Any taxes, other than state and local sales and use taxes, from which BREC is exempt, shall be assumed to be included within the Proposer's cost.

1.20 Proposal Validity

All proposals shall be considered valid for acceptance until such time an award is made, unless the Proposer provides for a different time period within its proposal response. However, BREC reserves the right to reject a proposal if the Proposer's response is unacceptable and the Proposer is unwilling to extend the validity of its proposal.

1.21 Prime Contractor Responsibilities

The selected Proposer shall be required to assume responsibility for all items and services offered in his proposal. **Subcontracting shall not be permitted for the services in this RFP.**

1.21.1 Corporation Requirements

Upon the award of the contract, if the contractor is a corporation and not incorporated under the laws of the State of Louisiana, the contractor shall have obtained a certificate of authority pursuant to R.S. 12:301-302 from the Secretary of State of Louisiana prior to the execution of the contract.

Upon the award of the contract, if the contractor is a for-profit corporation whose stock is not publicly traded, the contractor shall ensure that a disclosure of ownership form has been properly filed with the Secretary of State of Louisiana.

If services are to be performed in East Baton Rouge Parish evidence of a current occupational license and/or permit shall be supplied by the successful vendor, if applicable.

1.22 Use of Subcontractors

Subcontracting shall NOT be permitted for the services in this RFP.

1.23 Written or Oral Discussions/Presentations

Written or oral discussions may be conducted with Proposers who submit proposals determined to be reasonably susceptible of being selected for award. BREC reserves the right to enter into an Agreement without further discussion of the proposal submitted based on the initial offers received.

Any commitments or representations made during these discussions, if conducted, may become formally recorded in the final contract.

Written or oral discussions/presentations for clarification may be conducted to enhance BREC understanding of any or all of the proposals submitted. Neither negotiations nor changes to vendor proposals will be allowed during these discussions. Proposals may be accepted without such discussions.

1.24 Acceptance of Proposal Content

The mandatory RFP requirements shall become contractual obligations if a contract ensues. Failure of the successful Proposers to accept these obligations shall result in the rejection of the proposal.

1.25 Evaluation and Selection (see Part III Evaluation)

1.26 Contract Negotiations

If for any reason the Proposer whose proposal is most responsive to BREC's needs, price and other evaluation factors set forth in the RFP considered, does not agree to a contract, that proposal shall be rejected, and BREC may negotiate with the next most responsive Proposer. Negotiation may include revision of non-mandatory

terms, conditions, and requirements. Negotiation shall also allow price reductions. The final contract form shall be reviewed by the Purchasing Division and approved by BREC Commission prior to issuance of a purchase order, if applicable to complete the process.

1.27 Contract Award and Execution

BREC reserves the right to enter into an Agreement without further discussion of the proposal submitted based on the initial offers received.

The RFP, any addendums, and the proposal of the selected Contractor will become part of any contract initiated by BREC.

In no event is a proposer to submit its own standard contract terms and conditions as a response to this RFP. The proposer needs to address the specific language in the sample contract (Attachment D) and submit with their proposal any exceptions or exact contract deviations that their firm wishes to negotiate. The terms for both of these documents may be negotiated as part of the negotiation process with the exception of contract provisions that are non-negotiable.

If the contract negotiation period exceeds 30 days or if the selected Proposer fails to sign the contract within **seven calendar** days of delivery of it, BREC may elect to cancel the award and award the contract to the next-highest-ranked Proposer.

Award shall be made to the Proposer whose proposal, conforming to the RFP, will be the most advantageous to BREC, price and other factors considered.

BREC reserves the right to award a contract to a single proposer or to multiple proposers. The sites associated with this RFP are grouped on a geographical basis. BREC intends to award each group of sites to the Contractor with the best proposal for each respective group. This may result in one contractor being awarded all groups or multiple contractors being awarded one or more group(s). Groups will not be split up for awards.

1.28 Notice of Intent to Award

Upon review and approval of the evaluation committee's recommendation for award by Purchasing and BREC Commission, a Notice of Intent to Award letter to the apparent successful Proposer will be issued. A contract shall be completed and signed by all parties concerned on or before the date indicated in the Schedule of Events. If this date is not met, through no fault of BREC, BREC may elect to cancel the Notice of Intent to Award letter and make the award to the next most advantageous Proposer.

Purchasing shall notify all unsuccessful Proposers as to the outcome of the evaluation process. The evaluation factors, points, evaluation committee member names, and the completed evaluation summary and recommendation report shall be made available to all interested parties after the Intent to Award letter has been issued.

1.29 Debriefings

Debriefings may be scheduled by the participating Proposers after the Intent to Award letter has been issued by contacting Purchasing 72 hours in advance. Contact may be made by phone at 225-272-9200 or E-mail to Lori.Foreman@brec.org to schedule the debriefing. Debriefings will be for the sole purpose of reviewing with

the requesting vendor their own proposal scoring results. If the requesting vendor wishes to view other file documents, a Public Records request in accordance with R.S 44.1 et. seq. must be submitted.

1.30 Insurance Requirements

Contractor shall furnish BREC with certificates of insurance affecting coverage(s) required by the RFP (see Attachment C). The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates are to be received and approved by BREC before work commences. BREC reserves the right to require complete certified copies of all required policies, at any time.

1.35.1 Termination of this Agreement for Cause- BREC may terminate this contract for cause based upon the failure of the contractor to comply with the terms and/or conditions of the Agreement, or failure to fulfill its performance obligations pursuant to this Agreement, provided that BREC shall give the Contractor written notice specifying the Contractor’s failure. If within thirty (30) days after receipt of such notice, the Contractor shall not have either corrected such failure or, in the case of failure which cannot be corrected in thirty (30) days, begun in good faith to correct such failure and thereafter proceeded diligently to complete such correction, then BREC may, at its option, place the Contractor in default and the Agreement shall terminate on the date specified in such notice.

Any act of discrimination committed by Contractor, or failure to comply with these statutory obligations when applicable shall be grounds for termination of this Agreement and any contract entered into as a result of this agreement.

The Contractor shall maintain all records in relation to this contract for a period of at least five (5) years.

All records, reports, documents, or other material related to any contract resulting from this RFP and/or obtained or prepared by Contractor in connection with the performance of the services contracted for herein shall become the property of BREC, and shall, upon request, be returned by Contractor to BREC, at Contractor's expense, at termination or expiration of this contract.

1.42 Content of Contract/Order of Precedence

ACH Vendor Payment Authorization
Frequently Asked Questions

FAQ's

Here are some frequently asked questions and answers:

Q. What is ACH Vendor Payment?

A. ACH Vendor Payment is a system that deposits payment for goods and/or services that you have sold to the Recreation and Park Commission for the Parish of East Baton Rouge (BREC) directly into your account at any financial institution that is a member of the Automated Clearing House Network.

Q. Who is eligible for ACH Vendor Payment?

A. All vendors that provide goods and/or services to BREC who are now being paid by check through BREC's Accounts Payable Department.

Q. What steps should I take to assure that my payment is deposited to my account?

A. Verify with your financial institution that the routing number used for wires into your account is the same as indicated on your check. If it is not the same, please obtain and provide the correct routing number from your financial institution.

Q. When will my payment be deposited in my account?

A. Your payment will be deposited into your account based on the settlement date referenced on your direct deposit advice e-mail.

Q. Is my payment safe?

A. Billions of ACH transactions are transmitted successfully across the country. This could not be done without numerous checks and balances built into the system. NACHA manages the development, administration, and governance of the ACH Network. You may learn more at www.nacha.org.

Q. What do I do if for some reason my payment is not deposited into my account?

A. One of the advantages of the ACH Network is that all transactions are traceable. Simply contact the Accounts Payable Supervisor at (225) 272-9200, and ask that your payment be traced, starting with the originating financial institution.

Q. After I apply for ACH Vendor Payment, how soon can I expect to participate?

A. The target implementation date for changing over to ACH Vendor Payment is December 31, 2015. Beyond this date, most payments made by BREC to its vendors will be made via ACH transaction. However, as BREC transitions from the old "paper" method of paying vendors to ACH Vendor Payment, some vendors may begin to receive their payments via ACH transaction before December 31, 2015. In all cases, before a vendor receives their first payment via ACH transaction, they will receive an e-mail notifying them of the upcoming deposit.

Q. What happens if I change financial institutions and/or accounts?

A. In the event that you change financial institutions, or account numbers within the same financial institution, simply provide a new ACH Vendor Payment Authorization Agreement and a voided check, and mark the "Revision" box at the top. Until your account change has been completed, you may receive your payment by mail. It is the vendor's responsibility to advise BREC of any changes and to do so in a timely manner. BREC requires fifteen (15) working days to process changes.

Q. What if I want my payment to be forwarded to a financial institution outside the United States?

A. If you receive payments via direct deposit which are forwarded from a U.S. financial institution to a financial institution outside the U.S., please indicate YES in the ACH Vendor Authorization Agreement form and contact the Accounts Payable Supervisor at (225) 272-9200.

Q. BREC will transmit payment information AND invoice information (in the form of "addenda" information) to the vendor's bank. What happens if my bank statement does not break down the invoices paid by BREC?

A. Tell your bank that you will be receiving payments via ACH and that BREC will be including addenda information with our payment in the CCD Plus format.

Q. What do I need to do?

A. Just follow these simple steps:

- Complete the ACH Vendor Payment Authorization Agreement.
- Attach a voided check which clearly shows
 - the bank account holder's name
 - account number
 - financial institution's name
 - routing number
- Send the signed agreement and voided check to: Vendor@BREC.org

If you have any questions about ACH Vendor Payment, please contact the Accounts Payable Supervisor at (225) 272-9200
